Ribbon **CUTTING** INFORMATION PACKET

A Chamber of Commerce
Event for Members

CONGRATULATIONS!

If you are reading this, you must be celebrating the opening of a new business or the expansion/relocation of an existing business in Elk Grove. We are excited for your success and value the opportunity to help you mark this important occasion! We hope the following information is helpful to you. Please contact the Chamber office at 916.691.3760 if you have any questions or would like additional information.

WHAT IS A CHAMBER RIBBON CUTTING?

A ribbon cutting is recognition of your business's grand opening, re-brand, or major changes such as new management, remodeling, or a major expansion of facilities or services. A ribbon cutting also lets Chamber members and the community know about your business and provides an opportunity to become acquainted with your services. This is our way of welcoming you to the Elk Grove business community or recognizing your major changes. For in-home businesses, a Ribbon Cutting Ceremony can be held at the Chamber office.

WHAT ARE THE BENEFITS OF HOLDING A CHAMBER RIBBON CUTTING?

By hosting a ribbon cutting, you can:

- Announce your ribbon cutting on the Chamber's website calendar
- Begin a customer base
- Familiarize the public and Chamber members with your physical location
- Familiarize the public and Chamber members with your product/services
- Generate possible leads and sales from attendees
- Advertise on the Chamber's social media outlets

WHAT DO I DO FOR MY RIBBON CUTTING?

Your date and time. After many ribbon cuttings, the Chamber has discovered that mid-day ribbon cuttings draw the largest crowds. We have also discovered that mid-week (Tuesday through Thursday) work best for attendance. Therefore we recommend that you hold your ribbon cutting Tuesday through Thursday between the hours of 10:00am and 4:00pm. We're sorry; the Chamber cannot provide assistance with ribbon cuttings on weekends or holidays. Give yourself and the Chamber plenty of time to promote. Schedule your ribbon cutting at least 2-3 weeks in advance for the best turn-out.

WHO WILL CUT THE RIBBON?

The owners or top executives most frequently do the honors, but each business is different and can pick whomever they like! If the Mayor attends, you may want to ask him or her to cut or help to cut the ribbon.

YOUR REMARKS OR SPEECH

This is usually done when everyone is gathered around the ribbon and after it is cut.

ORGANIZE A SEPARATE PR CAMPAIGN

If you would like to invite the general public, you should consider other advertising avenues. Ask Chamber staff about our mailing labels and bulk mail permit or our e-blast program.

COMPLETE AND RETURN THE CHAMBER'S RIBBON CUTTING REQUEST FORM

WHO SHOULD ATTEND MY RIBBON CUTTING?

The Chamber will invite our membership, Ambassadors, and local officials.

While we will list your ribbon cutting on our website calendar, we encourage you to conduct your own PR campaign to increase the attendance and awareness of your business's opening. You should also consider inviting your business partners, customers/clients, financiers, contractors, friends, and family to help you celebrate this momentous occasion in your business's history.

PLEASE NOTE

- You must be a new or current Chamber member in good standing for the Elk Grove Chamber to endorse and help coordinate your ribbon cutting.
- There are more than 350 Elk Grove Chamber members. Our membership represents small organizations, big corporations, and self-employed individuals.

TIPS FOR A *Ribbon* SUCCESSFUL CUTTING

THE MORE THE MERRIER....

While the Elk Grove Chamber will invite elected officials, members and ambassadors, we encourage businesses to invite clients, vendors, neighboring businesses, family and friends to their ribbon cutting. This is not only to have a large gathering for the ribbon cutting photos; it enables the business to showcase its assets to many.

CELEBRATE AND DECORATE....

Celebrate this great event by having festive decor-balloons and company signage not only draws attention to your business, it brings a celebratory spirit to the ceremony and makes it easier on attendees to locate your business.

CHIPS, DIP, AND EVERYTHING IN BETWEEN....

Since ribbon cuttings traditionally take place during the lunch hours of 11am to 2pm, we encourage member businesses to have refreshments, snacks, cake, etc. for attending guests. This also adds to the flair of the event!

OPEN UP....

Give guests a brief tour of your company and explain its function. You never know what this can do for making business contacts in the future.

GRAND OPENING- RIBBON CUTTING REMINDERS

1. Mid-day events are easier to draw attendance.
2. If you are located within another business we will need permission to host your ribbon cutting at their location. Also, if that business is not a member, we will not be able to promote the business as the location, only the address of the location.
3. Be sure to send your press release, (template and media contacts provide by the Chamber), to local media in a timely manner. It is often difficult to attract media to ribbon cutting events, so it can be very beneficial to send out this press release as far in advance as possible.
4. Send out mailed invitations at least 2-3 weeks in advance. Be sure to indicate on your ribbon cutting request form if you would like the Chamber to prepare a complimentary set of mailing labels for you to pick up at the Chamber office.
